Search the world’s most trusted dictionaries ... wherever you are

Oxford Dictionaries Online

- Unrivalled authoritative content, based on the largest language research programme in the world
- More than 350,000 modern English definitions and entries, smart-linked to over 600,000 synonyms and antonyms
- Audio pronunciations in British and US English
- A vast bank of 1.9 million real English example sentences
- Detailed practical writing, grammar, and spelling guidance
- Specialist language reference resources for professional writers and editors
- ‘My Oxford Dictionary’ feature for saving entries and searches
- Regularly updated so the latest words are just a click away
- Cross-linked entries for subscribers to other Oxford sites, including OED Online and Oxford Language Dictionaries Online
- Indispensable for anyone who uses written or spoken English in their work or studies
